Not a member? Join AITD today to access essential reading for training, learning and organisational development professionals.

TOOLS OF THE TRADE

There are many tools available to learning professionals to assist them in their personal and workplace performance initiatives.

Diigo - Diigo is a social bookmarking, research and knowledge sharing tool. It lets you make personal notes and highlight text on web pages and share them with others.
diigo.com

Scoop.it - Scoop.it allows you to publish topic pages with curated content and share them with your networks to build your professional brand.
Scoop.it

Evernote - Use Evernote to capture, organise, and share notes from anywhere.
Evernote.com

Pocket - Put articles, videos and pretty much anything into Pocket. Save directly from your browser or apps such as Twitter.
getpocket.com

Camtasia - This software gives you the tools to record your computer screen and then turn those recordings into professional-grade videos.

PowToon - PowToon allows you to create animated presentations and animated explainer videos.
powtoon.com

GoAnimate - Create animated marketing videos, sales videos, explainer videos, training videos and elearning videos using GoAnimate.
